ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 29, 1966

VOL. LXXXI, NUMBER 14

Don Kessinger, shortstop for the Chicago Cubs, congratulates William Brook of the State Bank of Antioch, sponsors of Tigers, first place team in the Little League. Left to right, Bernie Gutowski, Tigers' manager; Don Kessinger and William Brook.

300 Attend L. L. Banquet

About 300 Little League and Babe Ruth league ball players, their parents, managers and sponsors, attended the Little League banquet at The Angels restaurant north of Antioch last Thursday night.

Honored guests at the banquet were the Rev. Wilton Anderson of St. Stephen Lutheran Church and Mrs. Anderson, and Mayor and Mrs. Ray Toft.

Don Kessinger, Cubs shortstop, was the featured speaker for the evening. After telling the boys about baseball in the big leagues, Kessinger answered questions from the young ball players and their parents and signed autographs.

Kessinger remarked that he expected his Antioch appearance to bring the Cubs luck, as last year's speaker, Jimmy Stewart, turned in some exceptionally good games after his Antioch appearance. The Cubs won their next two games after Kessinger's appearance in Antioch last week.

Trophies were presented to the first and second place Little League teams. The Tigers, sponsored by the State Bank and guided by Manager Bernie Gutowski, took first place this year. The Sox, sponsored by Gibbs & Jensen and managed by John Waring, took second.

The Little League is divided into two divisions, the White division, made up of the Yankees, Tigers and Giants and the Gray division, including the Sox, Dodgers and Cubs. A three-game playoff between the Tigers and the Sox decided the championship. The Tigers have placed second for the two preceding years.

Dave Spencer, president of the Little League, acted as master of ceremonies. He introduced the incoming president, Vernie Plotz.

Sequoia Lodge To Build New Temple

The members of Sequoia Lodge No. 827 A.F. & A.M. of Antioch, have purchased property for a site for a new temple on Route 83 south of Antioch.

The site of the new temple is just south of Tony & Lill's Restaurant. Sequoia Lodge celebrates its seventy-fifth anniversary in 1968 and lodge members hope that the new temple will be well under way as an anniversary commemoration. Plans will be discussed further at the Past Masters' dinner on October 26 in the dining room of the present temple on Main Street.

Several members of Lodge 827 met last Saturday at the site of the new temple to begin clean-up operations on the recently acquired property. Those on the job were Herb Pauli, Worshipful Master and Fred Anderson, Andrew Lorenz, Harold Kleven, Emil Kapischke, Victor Robinson, Charles Raymond, Al. Frynek, Joseph Parfitt and Milton Parks.

Police Catch Would-Be Burglars At Diamonds

Antioch, Fox Lake, and Waukegan police helped Lake County sheriff's deputies in catching four Chicago men in an apparent burglary attempt at Diamond's Steak House south of Antioch early Monday morning.

The burglar alarm in the Antioch police station sounded at 4:30 a.m. Monday. Sgt. Harold Mason of the Antioch police and Deputy Charles Heinzelmann reached Diamond's first, and were joined by Sheriff Charles Larson and six deputies.

The men could hear glass breaking inside and started a

search of the building. Deputy James Hamm found three of the men hiding in a liquor cabinet.

The three found at the scene were Donald, Glenn, 18; Leonard Kosirog, 22; and Nicholas Klein, 19, all of Chicago. A fourth man, Harold Rogers, 20, also of Chicago, was picked up in Antioch later.

The men had smashed the vending machines and cash registers. They were taken to Lake County jail and charged with burglary.

Diamond's Steak House is at Route 59 and Grass Lake Road.

First National Moves Next Week

Banking by television will soon be a reality in Antioch. Russell E. Barnstable, President announced today that The First National Bank of Antioch has installed a Mosler TellerVue unit at its new quarters at 934 Main Street, Antioch.

The TellerVue will enable The First National Bank of Antioch to provide almost all in-bank services to drive-in customers, according to Mr. Barnstable. The first television banking service in this area, The First National Bank of Antioch's TellerVue will start operation on Thursday, October 6.

Developed by The Mosler Safe Company and manufactured by Airmatic Systems, a Division of Mosler, TellerVue consists of a special engineering combination of closed circuit television, voice communication and

pneumatic tube system which makes drive-up banking possible at points separated from the main bank while the teller remains within the bank.

The customer and teller see each other on television screens and converse in normal tones. The pneumatic tube system whisks transactions between customer and teller, inside the bank, and the customer need only place his transaction in a drawer which is opened and closed by the teller.

Plans for opening The First National Bank of Antioch's new TellerVue service and public demonstrations will be Thursday, October 6, according to Mr. Barnstable.

Moving day for the First National Bank will be Wednesday, Antioch and county police will assist in guarding valuables as the bank moves. Because the bank is moving such a short distance—from one corner to the corner across the street—moving day will be somewhat simplified.

The First National will be open for business as usual at 9 a.m. Thursday, October 6. As the bank is normally closed Wednesday, there will be no need to close for the moving process.

25 Fire Depts. At Water Fights

Teams from twenty-five fire departments joined in water fights in Antioch last Sunday afternoon.

A team from Carpentersville in Kane County took the first place trophy. The Lake Villa department took the second-place trophy.

Antioch's team was knocked out of competition early in the elimination rounds. The water fights started at 1 p.m. in the village parking lot on Broadway and continued until about 4 p.m.

Four counties were represented in the competition. Fire departments in Lake Kenosha, McHenry and Kane counties sent teams.

Frank Kuechenmeister, in charge of the event, pointed out that the water fights are not "just a social afternoon." In addition to giving the men practice in handling the hoses, it gives the firemen a chance to look over equipment of other departments and get ideas for improving their own equipment. The men exchange views on the practicality of new equipment and exchange information.

Prize Photos Exhibited

Mr. and Mrs. Mort Robertson of 1047 Glenwood, Waukegan, have good reason to be proud of their son, Alan.

Mort is one of the owners of the V & S Hardware Store on Main St. in Antioch. Son Alan recently had three of his photos selected for exhibition in the 75th International Exposition of Professional Photography in Chicago.

More than 4,000 prints were submitted and 1,321 chosen for exhibition. Two of Alan's prize photos, "Community Church at Santa Ynez" and "Santa Barbara Horizon" were reproduced in the Santa Barbara News recently.

Alan will complete a 2½ year course at Brooks Institute of Photography in Santa Barbara next month.

5-Year-Old Girl Killed By Auto

Vonette Greenhaw, five-year-old daughter of Vernon and Johanna Greenhaw of Rosling's Subdivision south of Antioch, was killed Sunday afternoon, Sept. 25, when she was struck by a car on Route 83 about two blocks north of Beach Grove Road. Vonette was crossing the road near her home about 5 p.m. when she was struck by a car driven by Birdine Gilmore, 30, of 2218 Gilead Ave., Zion.

Gilmore said he was driving north on Route 83 about 40 miles an hour when the little girl ran in front of his car. He said he could not stop soon enough to avoid hitting her. He was not charged by police.

Vonette was taken to the

Antioch clinic by the Antioch Rescue Squad, where she was pronounced dead.

Vonette Greenhaw was born August 5, 1961, in Waukegan. She had resided in McHenry before moving to the Antioch area one year ago. She is survived by her parents; one sister, Veronica, 5 months old; her maternal grandparents, Mr. and Mrs. Frank Yaconetti of Fox Lake Hills subdivision, and her paternal grandparents, Mr. and Mrs. Cecil Greenhaw of Porum, Oklahoma.

Funeral services are being held at 9:30 today (Thursday) from the Strang Funeral Home in Antioch to St. Peter's Church for Mass of the Angels. Interment will be in Ascension Cemetery at Libertyville.

New Form For Postal Money Orders

New postal money orders designed to cut in half their processing time through the banking channels will be placed on sale throughout the nation on October 8, Postmaster General Lawrence F. O'Brien announced today.

The new money orders were developed in cooperation with the banking industry. They will be gray-tinted and slightly larger, making them compatible with checks used throughout the banking system.

The bank routing number which identifies the Post Office Department's account is printed on the money orders in magnetic ink, enabling the banks' check sorting machines to process them at high speeds.

With the new issuance, money orders can now be processed entirely by machines from the time of purchase through commercial banks to Federal Reserve Banks and the Post Office Department's Money Order Division.

This marks the first major change in the money order form since 1963 when the Post Office Department placed special punch-type money order issuing machines in every U. S. post office both at home and abroad. These machines are now being adapted to accommodate the new money orders.

This change is a further effort by the Post Office Department to utilize modern methods to process the large volume of postal money orders issued annually. During fiscal year 1966, nearly 214 million money orders were issued in the United States and over 700 thousand were issued for payment abroad.

AA's Observe 11th Anniv.

Zion - Benton's Alcoholics Anonymous Groups will celebrate their 11th anniversary at 2 p.m. Sunday, October 2. The anniversary meeting will be held at Our Lady of Humility Church, on Wadsworth Road between Lewis Ave. and Sheridan Rd., just south of Zion.

Principal speaker at the anniversary celebration will be Karen T., an outstanding AA speaker from Elmwood Park, Chicago. Refreshments will follow the talk.

As a kick-off to the 11th anniversary celebration, Marilyn H. of Fond du Lac, Wis., will speak at the Zion-Benton Alano Club, 228 Sheridan Rd., Winthrop Harbor, at 8 p.m., Saturday, October 1.

The public is invited to both meetings.

Asian, African and Latin American peoples, who eat one-third less fat than Americans, have much lower average blood cholesterol levels. They also suffer fewer heart attacks.

Two-Car Crash At Deep Lake Rd.

Both drivers were ticketed after a two-car crash at Route 173 and Deep Lake Road about 12:20 a.m. Tuesday.

Curtis W. Stout, 887½ Main St., Antioch was charged with failure to yield right of way. The driver of the other car, Daniel Lambert of 2321 Joanna St., Zion, was charged with driving with a suspended license.

Lambert said he was going east on Route 173, and as he approached Deep Lake Road a car pulled across the intersection.

Stout said he was going north on Deep Lake Road, stopped at the Stop sign at Route 173, and seeing nothing coming started across the intersection. He said Lambert's car must have been traveling at a high rate of speed as he did not see it before starting into the intersection.

Lambert was taken to Victory Memorial Hospital. Stout was released after treatment.

Unicef Topic of WSSC Meeting

Traveling with Unicef will be the topic as Mrs. Lloyd Peterson brings a message and slides regarding the work of the United Nations International Children's Emergency Fund to the Women's Society of Christian Service of the Methodist Church. Mrs. Peterson is Secretary of Christian Social Relations for the Elgin District of the Methodist Church and has held many positions of responsibility in her own church district.

The meeting will convene on Wednesday, October 5, at 12:30. Dessert luncheon will be served by members of Gertrude Circle; Mrs. O. W. Turner and Mrs. Fred Chapp are co-chairmen.

Mrs. Richard Olson will lead the worship service. All who are interested are welcome.

Hines Gets Safety Award

A 10-year award for outstanding hospital safety was received recently by the Hines Veterans Administration Hospital from the VA in Washington.

VA Administrator William J. Driver wrote that the suburban Chicago hospital is one of few in VA's network of 165 to win annual safety awards for 10 consecutive years, thus entitling it to the overall plaque.

Dr. Lee H. Schlesinger, Director at Hines, explained that annual awards are made to VA hospitals on a complicated rating system involving the number of accidents, number of injured, and days lost through accidents. Safety precautions at Hines must be particularly stringent, he said, because of the age and dispersal of more than 70 buildings in use on the grounds.

Use caution, courtesy and common sense while driving.

AGS Budget Up \$32,000

The budget for Antioch Grade School for 1966-67 will be \$483,860, an increase of \$32,000 over last year's budget. The budget was approved at last Tuesday night's meeting of the board.

This year's budget includes \$12,300 for repairs and replacements at Channel Lake School. The school has been unused since Antioch annexed Channel Lake District in 1964.

The repairs to Channel Lake School will be made as the result of a survey made by Curtis L. Johnson and Associates, Lake Bluff architects. Under the state Life Safety Code, all buildings constructed before 1955 must be surveyed for fire and safety hazards by July 1, 1967.

Oakland Grade School, being built in 1958, will not be surveyed, but the Antioch building will be. "However," Superintendent Richard Whitacre said, "we have until July 1 next year to survey the Antioch building and until 1970 to make any repairs, so we'll proceed with

the repairs at Channel Lake. We'll have to use that building next fall, and it will be better to have the work done while it's unoccupied."

Whitacre said work on the Channel Lake building will start this winter, probably by November. The board hopes to get a lower price on the work if it's done during the winter, when construction work is slack.

Numerous minor repairs are listed in the survey—doors re-hung, space under stairways enclosed, fireproof doors installed and considerable work on the heating plant. Automatic controls on the furnace and an automatic fire alarm are among the requirements, also installation of new fire extinguishers.

It was discovered in the survey that the well at Channel Lake School is beneath the building. An addition was built over the well site, so that it is now under a room formerly used for a kitchen. In addition, the well is only 35 feet from a septic bed. Either the well or the septic bed would have to be moved. The board decided it would be cheaper to drill a new well.

Oakland School is now full, so Whitacre said it will be necessary to re-open Channel Lake school for lower grades next fall.

Other items in the budget this year are a liability fund of \$510; education, \$342,000; transportation, \$30,400; building, \$71,250; Municipal Retirement Fund, \$8,400; and working cash, \$20,000.

The board hired Joseph Foley, Jr., of Waukegan, to teach fifth grade and coach football and basketball at Oakland School. Mrs. Joan Poulos was hired as a full time secretary at Oakland.

Emmet King Dies Suddenly

Emmet W. King, 75 years old, of 400 First St., Antioch, died suddenly of a heart attack at 8 a.m. last Thursday, Sept. 22.

Mr. King had walked from his home to the Strang Funeral Home to participate in a Masonic service for Theodore R. Messler and collapsed just before the service was to begin. The Antioch Rescue Squad and a doctor were summoned, but were unable to revive Mr. King.

Emmet King was born Feb. 7, 1891, on a farm in Newport Township which he operated until moving to Antioch 1½ years ago. He was a member of the Millburn Congregational Church and the Lake County Farm Bureau; a Past Master of Millburn Masonic Lodge No. 127 A.F. & A.M.; he had served for many years on the Millburn Mutual Insurance Co.; had served as secretary and director of the Lake County Fair board, and had served as Newport Justice of the Peace for many years.

Mr. King married Ada Tillotson on Feb. 7, 1916, at Pikeville Corners near Antioch. He is survived by his wife, Ada; one son, Wilson King, Whitewater, Wis.; two daughters, Mrs. F. A. (Mariellen) Lange of Hebron, Ill., and Mrs. William (Grace) Strahan, Antioch; one sister, Mrs. Grace Savage, of Missoula, Mont.; 17 grandchildren and five great-grandchildren.

Funeral services were held at 4 p.m. Saturday in the Strang Funeral Home at Antioch, with the Rev. L. H. Messersmith of the Millburn Congregational Church officiating. Interment was in Hickory Union Cemetery near Antioch. Memorials may be given to the Antioch Rescue Squad or the Millburn Congregational Church, Millburn Masonic Lodge 127 A.F. & A.M. held a service Friday at the Strang Funeral Home.

First Aid Classes Start October 6

Red Cross First Aid classes will start October 6 at the Rescue Squad building in Antioch. The classes will run from 7:30 to 9:30 p.m. Thursday for five consecutive weeks. Dan Dugenske will be the instructor for the class.

The Antioch First Aid class is one of 19 classes throughout Lake County which will begin the first week of October. The Mid-America Chapter of the Red Cross has set October as First Aid month, to insure that at least one member of every family has an opportunity to become trained in first aid.

"Many times the very life of an injured person may depend on what is done to help him before the doctor arrives," said Wilfred V. Berg, Red Cross first aid chairman for Lake County area.

The first aid instructors will teach local residents how to care for frostbite, burns, electric shock, poisoning and simple fractures. They will also learn how to care for breathing stoppages, heart attack, fainting, convulsions, and foreign bodies in the eyes, ears or throat. Artificial respiration will be included in the training.

Blind Association Schedules Dance

The Lake County Blind Association will hold their third annual Benefit Dance Saturday, October 8, at the J.M. Club on Greenwood Ave. in Waukegan.

The dance will run from 8:30 p.m. to 12:30 a.m., with Ray Paulson's orchestra supplying the music. The public is invited to the dance, and tickets will be available at the door.

Hi-Jinks Preview Homecoming Game

With Homecoming a week away, Antioch residents will get a preview of Homecoming "fever" this Friday, Sept. 30, as eleven Sequoia "braves" go on the warpath figuratively seeking Round Lake's scalp, football-wise.

The eleven Sequoias—girls from the Pep Club in full football regalia, including helmets, shoulder pads, kidney pads, etc.—will start at the Antioch Shopping Plaza on Orchard St. at 7 p.m. They'll call their signals and advance the ball in a dash down Broadway to Lake, east on Lake to Main and north on Main to Orchard.

From Antioch the eleven mock gridders will travel to Lake Villa and Lindenhurst

for more signal drill. The Sequoia eleven will be preceded by a police car escort, a truck carrying members of the Sequoia band and by a convertible bearing this year's Indian princess, escorted by the cheerleaders.

Homecoming weekend starts Friday, October 7, with a bonfire and sock hop at the High School, starting at 8:30 p.m. Saturday, October 8, the homecoming parade will start at 10:30 a.m.

The Homecoming game against Round Lake starts at noon with the sophomore game, followed by the varsity at about 2 p.m.

The Homecoming Queen will be crowned at the dance Saturday evening.

Traffic To By-Pass Work On Sheridan

Automobile traffic on Sheridan Road just north of the Great Lakes Naval Hospital entrance will be disrupted for about a month while new steam facilities are installed for the Great Lakes Naval Training Center.

The work is expected to start about October 3. A temporary by-pass road will be constructed to accommodate traffic. The area of construction lies between the Hospital entrance and the south ramp leading to Route 137.

The Senator Protests

Senator Robert Coulson has declared war on the planning of Phase II of the Illinois Master Plan for Higher Education.

Sen. Coulson is specifically incensed at the omission of Lake County as the site for one of four three-year universities being planned. Three of the new universities will be located in the Chicago area.

The Senator gives his views on the subject in a letter to the Editor on this page. He asks the support of voters in protesting the continued neglect of Lake County.

Read his letter, and if you are in agreement with him, lend your support to his protest.

Tax Questions On Ballot

Lake County voters in the November 8 elections will have several chances to do something about taxes. At least, local and state taxes.

They'll get a chance to vote into effect ceilings on three county funds: the board of health, the county general operating fund, and the TB sanitarium fund.

As voters are not too happy with the tax situation as it is, it seems almost certain that they will avail themselves of the chance to put the county on a restricted budget.

The tax ceilings would have little, if any, immediate effect on real estate taxes. Only one fund is now levying more than the proposed ceilings, the county general fund. However, it would help to guard against much higher taxes in the future.

On the state level, voters will be asked to approve or reject revision of the Revenue Article. The revision is designed to bring more money into the state coffers, while its proponents claim, distributing the tax load more equably.

The final say-so on the tax provisions would be up to the General Assembly. The main arguments advanced for the revision are that it would abolish the personal property tax and put a 3 percent limit on the state income tax.

Most people dislike the personal property tax and would like to be rid of it. If you think you'll be better off with the tax eliminated, compare the personal property tax you now pay to 3 percent of your income.

Courthouse Notebook

BY LOU DURKIN

Members of the Lake County Building Commission are to be commended for the hard-nosed attitude they have adopted towards the general contractor on the initial phase of the county building complex in Waukegan.

The commissioners are making the contractor recognize the final completion date and serving notice on him that he will have to push for completion within a reasonable time or pay heavily for his failure.

Too often contractors set a completion date and post a bond, but are given excessive leeway in meeting their commitment.

Some delays are beyond the control of the builder and these conditions should be taken into consideration, but with the building weather enjoyed on this project the contractor should be far ahead of the projected completion date.

There seems to be an inordinate amount of confusion concerning the progress on the building with even the architect and the associate architect citing different projected completion dates and neither agreeing with the contractor.

It might be well for the building commission to engage their own supervisor of construction when the next phase of the complex is launched so they will have a knowledgeable person responsible only to the commission overseeing the progress.

Associate Circuit Judge

Charles Parker, of McHenry, struck a blow for the horse breeding industry in Illinois and Lake County last week when he directed a jury to return a verdict in favor of the seller of the race horse.

At issue was a transaction between Paul Serdar, former chairman of the Illinois Racing Commission and thoroughbred breeder, and Maynard Johnson, of Minnesota.

Johnson purchased a horse from Serdar in October, 1961, but wanted out of the deal when the horse failed to get to the races despite breeding which included Whirlaway and Reigh Count among his ancestry.

The plaintiff sought to establish that Serdar had guaranteed him the horse would race and win, but Judge Parker in ruling on a motion for a directed verdict pointed out that not only was there no evidence of such a guarantee, but that it was highly unlikely any such warranty or guarantee could be given.

If the case had gone against Serdar it would have opened the door to every unhappy horse buyer to file suit against the seller and could have wiped out the already precarious breeding industry in the state.

Thoroughbred breeding in Illinois reached new heights during the Stratton-Serdar administration, but reduced purses for Illinois-breds permitted by the present Racing Commission have reduced the incentive for breeders in the state.

PMA Selects Outstanding Couple

A plaque designating them the 1966 outstanding young dairy couple of Pure Milk Association was presented September 24 to Mr. and Mrs. Paul E. Fowler, 6170 Fond du Lac Rd., Oshkosh, Wis., during the association's annual fall delegate meeting at Pheasant Run Lodge east of St. Charles, Ill. Avery A. Vose, president of Pure Milk Association, Chicago-based dairy farmer cooperative, presented the plaque as the climax to a

Letters to the Editor

To the Editor:

The Illinois Board of Higher Education has just released Phase II of its Master Plan for Higher Education. It includes a recommendation for three Chicago-area colleges to be located (1) near Palatine, (2) near Argonne National Laboratory and (3) Chicago's West limits.

Now none of these is going to serve the Lake-McHenry area, and it looks as though we are going to have trouble passing referenda even for junior colleges here. By the board's own standards this area north of Chicago deserves one of these proposed colleges. We have the student population, now paying room and board elsewhere. We contribute a huge disproportionate share of the tax money to support these schools. We have the advanced employment opportunities for the students and graduates. Yet there is not even a Lake or McHenry County member on the board.

I have informed the Board that I intend to fight this plan. We have suffered too long from the blind spot which makes most Illinois planners think the state line is at the Cook County line.

There will be public hearings on this plan, notably one in Chicago on October 5 at the Civic Center Building starting at 10 a.m. I urge anyone who shares my anger at this plan and this neglect to make his objections known to Mr. Lyman A. Glenn, Executive Director of the Board of Higher Education at 300 East Monroe St., Room 104, Springfield, Ill. 62706.

I have expressed these objections to the Board at earlier meetings, and intend to persist. Every Merchant, parent, student and taxpayer should take an interest in what this board is planning to do, for it will affect us vitally. Whether we achieve a community or junior college program or not, we should insist on being included in the State's plan.

Sincerely yours,
Robert Coulson

W. J. Murphy, of Petite Lake, who is seeking to return to the Illinois House of Representatives, was given a big push along the way last week at a golf-outing-dinner in his honor at Cherry Hills Country Club in McHenry County.

It was the biggest turnout for an individual candidate in recent years and the turnout indicated Murphy will have plenty of support in his bid for a place among the House leadership when the new General Assembly is organized in January.

It is fortunate for State Rep. Howard Slater, of Highland Park, that his House district does not include the illiterate northern section of Lake County after his intemperate remarks at a recent public meeting on a proposed junior college for Lake County.

Slater inferred, nay, asserted, that students at Highland Park, Lake Forest, Deerfield, and Barrington High Schools should not have to associate with the uneducated offspring of farmers, tradesmen, and blue collar families and therefore the North Shore communities should not be dragged into a low class junior college district.

Members of these school football teams will probably wish that Rep. Slater had stuck to discussing strictly political matters when they came up against some of these unlettered gridders from Antioch, Grayslake, Warren, Round Lake, and other backwoods communities.

contest in which 14 of PMA's 18 districts in Wisconsin, Illinois, Indiana and Michigan selected outstanding young dairy couples to compete for the association title.

Vose also presented a plaque to Mr. and Mrs. Robert H. Wild, Rt. 2, Winslow, Ill., who finished as the runner-up couple in this contest.

The Fowlers and Wilds will receive an all-expenses-paid trip to the 50th annual convention of the National Milk Producers Federation in Washington, D.C., November 27 to December 1. At the convention they will represent Pure Milk Association in the activities of Young Cooperators, an organization sponsored by the Federation to build leadership among young people in dairying.

Selection of these couples was based largely on qualities of leadership and participation in community activities of an agricultural nature. The contest was open to PMA members and their wives, a requirement being that the husband be at least 21 but not over 32 years of age as of June 30, 1966.

Your Congressman Reports....

By Cong. Robert McClory

Many people would like the Federal Government to the Federal Government to fix and regulate the rate of interest to be paid on deposits by financial institutions. They argue that if Congress were to dictate a maximum interest rate of 4 1/2% on funds deposited in banks and savings and loan companies, borrowers in turn would be able to make loans at lower interest rates.

However, in the legislation proposed to the Congress, by Representative Wright Patman of Texas, Chairman of the House Committee on Banking and Currency, only certificates of deposit in amounts less than \$100,000 would be limited to a 4 1/2 percent rate of interest. Holders of certificates of deposit in amounts of \$100,000 or more could be paid interest at a rate of 5 1/2 percent. Accordingly a higher rate of interest would be paid to the corporate or large investor, whereas the depositor with limited funds would be restricted to the 4 1/2 percent return. The inequity in this approach was recognized by the House of Representatives, with the result that the discrimination between large and small depositors was eliminated.

Ultimately, the House of Representatives took occasion to reject all proposals whereby the Congress would dictate interest rates on deposits and approved a substitute bill granting authority to the Federal Deposit Insurance Corporation to establish interest rate ceilings on various categories of deposits. This substitute bill—offered by Congressman Robert Stephens of Georgia—would prevent the Congress from dictating interest rates and would at the same time authorize controls to be established by the named supervisory agencies in order to meet the present "tight money" crisis.

The most difficult stumbling block to any congressional action is that which is created by the federal government itself, and which requires approximately \$30 billion of refinancing every three months. In order to carry out this refinancing, the federal government pays whatever interest the lending institutions require, which at present time is approximately 6%, on Federal Reserve and commercial bank funds "deposited" with the Federal Treasury in financing the national debt.

The debates concerning "lower interest" becloud the more basic problems of inflation. The underlying fact is that the cost of food, clothing and other items is higher. Now, interest—which represents the cost of money—also experiencing the effect of inflation.

ALONG THE WAY with Annie Mae

The Positive Approach

With the ball finally rolling on the Main St. Parking problem, maybe some of these businesses will realize the potential our metropolis has! One establishment already is sorry they ever thought remodeling would draw more business. That's not the spirit—he should be in there with the rest of the businessmen fighting for more parking!

Item of Interest

For the Ladies: The Lake County Homemakers Association will have their annual Simplicity Fashion Show at 8 p.m. Thursday, Sept. 29th at the Antioch Grade School.

Congratulations

To our Antioch Sequoits on their victory over Grant last weekend. Let's make it 3 in a row when you take on Lake Forest this coming weekend.

Hernando's Hideaway

I took a peek into "The Gangway" this week and found it quite intriguing. In case you're wondering, this is the endeavor of Joan Larson and Sally Hawkins, for all of you treasure hunters!

Oscar Night

I wouldn't want to be a judge and have to decide which one was the best actor or actress of the year. That decision and many more will be made Sunday evening when P.M.&L. have their version of the Academy Award presentations.

Ulcers Yet

'Tis said that Dick Radke and helpers worked until midnight Wednesday, arranging the new fixtures and getting everything ready for opening the barber shop Thursday morning.

Till next week.

ANNIE MAE

The Old Scouter Says

Religious Awards in Scouting
All Scouts are expected to be faithful in their religious duties. The importance of Scouting in a Boy's spiritual growth has been recognized by most religious leaders and the major religious denominations have created special awards for first class Scouts who do outstanding service within their faiths.

The first of these awards was the Ad Altare Dei Award established by the Roman Catholic Church in 1931. This was followed in quick succession by the God and Country Award for Scouts of Protestant faiths, The Lutheran Pro Deo El Patria award, Ner Tamid for Scouts of the Jewish faith, the Duty to God Award for Scouts of the Church of Jesus Christ of Latter Day Saints, the Sangha Award for Scouts who are Buddhists, the Alpha Omega Award for Scouts of the Eastern Orthodox Catholic Church, and the God and Country Award for Scouts of the Episcopal Church.

Seventy-seven Scouters from Northwest District Units attended the opening training sessions at Avon School last Thursday night. This week-end, Sept. 30-Oct. 1 & 2, the outdoor program session will be held at Camp Crown near Wilmet. The weekend of Oct. 7-9, Jr. Leader training will be conducted at the C.Y.O. Camp on River Road north of Libertyville.

Troop 92 enjoyed (?) a rainy Saturday night at Gander Mt. last week.

COMING EVENTS: An open house at Pack 80, Channel Lake School on Sept. 28, a special welcome to all new boys and their parents.

Troop 92, Annual Spaghetti dinner on Sunday, Oct. 9 at the Moose Lodge. All you can eat for a buck. Unconfirmed—Troop 91 plans a 20 mile trail hike in the very near future.

"A Tip of the Hat" to Pack 80—National recognition for their summer program.

RECOLLECTIONS: —Sept. 1949—Ron Scully (Riley), Merit Badges in First Aid, Personal Health, Public Health, and Camping, Troop 91.

See Ya' next week,
THE OLD SCOUTER

Public Aid Total In Month of July

The downward trend in Aid to Dependent Children rolls of May and June continued in July. Blind Assistance also decreased while Old Age Assistance, Disability Assistance and General Assistance increased.

Public Aid expenditures were \$24,800,572, compared to \$26,185,366 in June. Total expenditures in July 1965 were \$24,873,241.

Lake County had a total 2,776 public aid recipients, at a total cost of \$169,955.

Taxpayer's Federation Discusses Revenue Article

House Joint Resolution 71, proposed by a Joint Senate-House Committee and passed by the General Assembly in 1965, provides for a Revenue Article amendment to the Illinois Constitution to be voted upon by the electors at the November 8 general election.

To help inform and to educate the voters, the Executive Secretary of the Taxpayers Federation of Illinois, Maurice W. Scott, will devote a series of five Illinois Tax Facts to explaining and discussing the provisions of H.J.R. 71. This issue will pertain to the classification of tangible personal property.

Classification of Tangible Personal Property

Much objection has been raised to the so-called "Uniformity Provision" of the present Revenue Article which requires all property to be uniformly assessed and taxed according to valuation. This has led to administrative problems, and much clamor has been raised in the past for the classification of tangible personal property for taxation purposes; in other words, why, it has been asked, should household furniture be taxed at the same level or rate as other property.

H.J.R. 71 provides that tangible personal property (such things as horses, furniture, equipment, etc., that can be seen and moved easily) may be classed by the General Assembly into the following four classes: (a) household goods and personal effects not used in the production of income; (b) business and farm inventories, including grain, livestock and poultry; (c) motor vehicles, ships, boats and aircraft; and (d) all other tangible personal property (predominantly machinery and

business equipment). The Legislature could assess such classes at various levels, or could abolish the tax on any or all of the above classes. If the proposal passes, many expect the General Assembly to abolish the property tax on household furniture and personal effects, because this class brings in little revenue now and leads to non-uniformity in assessment.

In lieu of property taxes upon class (c) above, the General Assembly could levy a use, privilege, or franchise tax, uniform throughout Illinois, upon motor vehicles, ships, boats and aircraft, or upon any class or classes thereof. The proceeds of any tax so levied shall be distributed by the State to local taxing districts (schools, cities, counties, etc.) and for such purposes as the General Assembly may direct by general law. To illustrate, let us assume that 3,000,000 passenger cars are registered in Illinois. Then, under the proposal the Legislature could abolish the property tax from passenger autos and substitute in lieu thereof a \$10 privilege or wheel tax per car, payable when the owner applied for his State auto license tags each year. Under the assumption, the Legislature would devise a formula for rebating back to local governments the \$30,000,000 in revenues and enumerate the purposes for which such revenues could be spent.

Always pull completely off the highway when stopping to change a tire. If there isn't room enough on the shoulder, drive on slowly. It's better to lose a tire than lose a life. At night, have a flare or flashlight handy to warn approaching traffic.

Diane Marie Stagg, Ecuador, now a student at Antioch High School, with Mr. and Mrs. T. E. Cardwell.

American Field Service News

By Mrs. K. Smouse

The past few weeks have been very busy and exciting for Diana Maria Stagg, Antioch's newest Foreign Exchange Student. The American Field Service organization and all the students at A.C.H.S. have also been busy making her feel welcome and helping her to adjust to her new life here.

Diana has already become a very important part of her new family, the Walker Lyons, living on Winsor Dr. Sally Lyons is a freshman at A.C.H.S. and Kevin and Gary are both in grade school. The Lyons and A.F.S. introduced Diana at an open house late in August.

This past week A.F.S. had its first meeting of the school year at the high school. Mrs. Robert Cross, president of the organization, welcomed Diana and introduced her to all the members present. Mrs. Leslie Sorensen was elected vice-president to replace Robert Cross who was unable to carry out his responsibilities because of a business conflict.

It was decided that the group will meet the first Thursday of each month at 8 p.m. at the high school. All residents of the A.C.H.S. area who are interested in supporting the organization are urged to attend these meetings to become better acquainted with our foreign exchange student, the advantages the school and community can benefit from her presence, and what can be done to aid the group. If enough interest is aroused by this organization, it is the hope that eventually one of our students can be sent abroad.

Diana will be visiting many civic organizations during her stay in Antioch and will talk to them telling of her life in Ecuador and of her reaction to life here in Antioch. If any group is interested in having her visit them, please contact Mrs. Robert Jensen, 477 First St., Antioch, 395-0539.

The student A.F.S. group gave a tea at the high school last Wednesday to introduce Diana to the entire faculty. It was very well attended, and everyone found Diana to be a most charming girl and a willing student. She is fitting into the life of A.C.H.S. with ease and can express herself in English amazingly well.

Last, but not least by any means, Diana met our A.F.S. Santa Claus, Mr. T. E. Cardwell. Mr. and Mrs. Cardwell and all A.F.S. members feel that "Operation Dairy Queen" was well worth all the work after meeting Diana.

Must Have Measles Shot

Topeka, Kansas — Parents might follow the lead of an increasing number of experts who believe that measles immunization is essential for all children. Such immunization would, they noted, help eliminate the complications of the disease which each year kill or permanently damage hundreds of youngsters. Two states, Kansas and Michigan, now require vaccination of all school children against measles.

It might be a good idea, as the school year gets under way, for parents to check their children's immunizations to make certain that they are fully protected against polio, diphtheria, tetanus, whooping cough, and smallpox.

Back to School For Parents

A special school bell will be ringing from the Antioch Community High School calling all parents of high school students back to school at 8 p.m. Wednesday, Oct. 5.

Parents will live their children's daily school schedule for this one evening. They'll have a chance to meet the men and women who will be teaching their sons and daughters; to visit classrooms, study halls and P.E. departments.

The High School P.T.A. officers will be introduced. There are four regular P.T.A. meetings a school year and each meeting is planned to be interesting, educational and informative.

Judge Hughes Democratic Choice For Associate Judge

Judge John L. Hughes, of Waukegan was nominated by acclamation by the Democratic party as their choice for associate judge of Lake County.

Judge Hughes was nominated by Rep. Daniel Pierce and Rep. Howard Slater, both of Highland Park.

Pierce noted in his nominating speech that Judge Hughes in nearly 8 years as a police magistrate has earned the reputation of "A man who can't be reached or influenced. He treats each case on its merits... and is fair, honest, intelligent and conscientious."

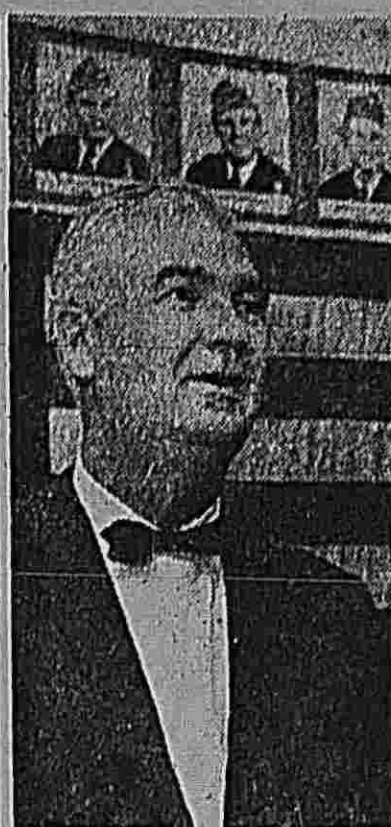

Slater pointed out that Judge Hughes is known for "Judicial integrity, which means that if you want favors, you go to the other guy because Judge Hughes does not give favors."

Judge Hughes, who is 46, lives at 1001 Sunset Avenue in Waukegan. During his terms of office he initiated the Driver Improvement Program at Waukegan Township High School's Night School. He also speaks with authority on the topic of traffic safety.

Another program he began was to sentence guilty youths to perform civic work rather than to simply fine them. He said this makes the punishment more meaningful because in most cases the parents pay the fine and the offending youths suffer little.

Judge Hughes was elected in 1959 as Waukegan police magistrate and was re-elected in 1963 against stiff Republican opposition.

He is an elder in the First Presbyterian church in Waukegan, directs the church choir and is president of its Men's Council. His other activities include being on the executive board of the Boy Scouts of America in the Oak Plain Council and being a former member of the Waukegan YMCA board.

Judge John L. Hughes

He is married to Ann S. Hughes and the couple have four children. They are Michael, age 20, a college drama student, David, a sophomore in high school, Patty, a high school freshman and Steve who is in the third grade.

Completes Retail Selling Course

Robert Thelin of Lyons & Ryan, 939 Main St., Antioch, has just completed a retail selling course conducted at Ford's Chicago Marketing Institute.

The course is one of a number offered by Ford Marketing Institutes to benefit Ford and Lincoln-Mercury customers by emphasizing after-purchase service and better customer relations.

Some animals can draw their eyes back into the sockets.

Trinity Church Sets October Meeting

The local conference of the Trinity Evangelical United Brethren Church, Beck Road and Valley Drive, recently set their new fall schedule. The Women's Society of World's Service will hold their first meeting at the home of Mrs. Mary Anne Sams Thursday, September 20 at 8:00 p.m. The speaker for the evening will be Mrs. G. Albert Murphy.

The local society will be hostesses to the annual Elgin-Elmhurst Women's Society of World's Service Fall Institute to be held at Trinity Evangelical United Brethren Church, Tuesday, October 4, from 9:00 a.m. to 3:00 p.m. Mrs. George Oehler, Group leader of the Elgin-Elmhurst group will serve as registrar.

Mrs. F. B. Schosser of Kankakee and First Vice President of Illinois Branch Women's Society of World's Service will preside over the Institute and give tidbits from the Quadrennial Convention. A luncheon will be served at the church by the Lindhurst Society. The local Society will also provide special music throughout the day.

Dr. Dewey R. Eder, a missionary from Jerusalem and Lebanon, will bring the missionary address on the subject "His Church Through the Penetration of the Total Community."

Sunday, October 2 at 7:30 p.m. a night of hymn singing will be held at the church. Ralph Brooke, vocal teacher of Antioch High School, will direct the hymn sing.

Sunday, October 9, family night will be observed. A training film will be shown.

Sunday, October 16 is Community Sunday. A film will be shown. Each family will bring their neighbors as guests.

Sunday, October 23, will be

THE ANTIOCH NEWS 3

THURSDAY, SEPT. 29, 1966

Schools Receive More State Aid

Ray Page, State Superintendent of Public Instruction has announced that Illinois schools received \$258,000, 930.92 during the 1965-66 school year. This is a 32.7 per cent increase over the 1964-65 figure of \$194,416.013.74. Lake County schools received \$8,603,057.40.

Superintendent Page pointed out that the increase is due to the raising of the foundation level by \$78 per pupil. This level was increased by the recent General Assembly from \$252 to the new \$330 foundation level, which went into effect for the 1965-66 school year.

Superintendent Page said that these amended claims for 1346 school districts have been certified for payment. The claims were computed on the basis of the best six months of pupil attendance for the 1965-66 school year. \$2,071,305.58 of the 1965-66 school figure was paid for summer school claims. The 1964-65 summer school figure was \$1,154,128.20.

An evening devoted to Bible Study.

Sunday, October 30 a talent night will be conducted following a pot luck dinner. All Sunday evening services will be held at 7:30 p.m.

Youth fellowship will meet at the church every Sunday at 6:30 p.m. All youth of Junior and Senior High School age are invited to attend.

Boys and Girls Fellowship will meet at the church every Monday afternoon after school at 3:30 p.m. All boys and girls in first through sixth grades are invited.

Pastor's class will be held at the church every Saturday morning at 11:00 a.m. All youth of junior and senior high school age are invited to attend.

Got the itch to switch to Gas heat?

We'll put up the scratch

There's no need to let the lack of ready cash stand in your way of enjoying today's greatest heating bargain.

The reason? We'll finance your conversion to gas heat through your heating contractor.

You'll make no down payment. Have up to 5 years to pay. And payments will be as low as \$3 a month.

Your heating contractor will handle the simple details of application for financing, and make the changeover to gas heat at your convenience, usually in a single day. You can begin enjoying gas space heat immediately!

Nothing could be easier. And nothing could make more sense. For gas is clean, economical, and comfortable. The supply is unaffected by winter

snows and storms. And—unlike other heating systems—a gas heater does not suffer equipment fatigue.

So switch to gas. Call your heating contractor for details. Before cold weather sets in.

GAS—Your biggest heating bargain.

	Annual Heating Costs*	Savings with Gas
Gas	\$132	\$-
Oil	224	92
Coal (hand-fired)	229	97
Electric (resistance)	449	317

*Fuel costs for typical, insulated home with basement.

NROTC Tests Available

Applications for the Navy's 21st annual NROTC qualification test are now available, according to Fr. Fergus Licksteig, O. Carm., principal at Carmel High School for Boys. This nationwide examination will be given Dec. 10 and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interview, medical examinations, and other factors, Fr. Licksteig explained, over 1,700 young men will enter the regular NROTC program as midshipmen at NROTC units in 52 colleges and universities throughout the nation. Male citizens of the U. S. who will be at least 17 but not yet 21 on June 30, 1967, and who are now high school seniors or graduates, may be eligible to apply for the test. Those who attain qualifying scores will be interviewed and given medical examinations next January and February.

A successful candidate receives financial aid for four years of college. This includes tuition and educational fees, books, uniforms and \$50 per month subsistence allowance. After successfully completing baccalaureate degree requirements and naval training, graduates are commissioned as officers in the U. S. Navy or Marine Corps.

Regular NROTC midshipmen participate in three summer cruises with various naval units.

Registrations for the test will close Nov. 18. NROTC Bulletins containing eligibility requirements and qualifying test applications are available from the Guidance Office at the High School or the U. S. Navy Recruiting Station at Waukegan.

Antioch Herds In Testing Report

The performance records of Registered Holstein cows in area herds have been listed in an official production testing report from Holstein-Friesian Association of America. Included are levels of solids-not-fat (SNF) production for individual animals.

The animals and their actual production levels are: Del Ray B Wonder Cross Abbie 4529204, a seven-year-old Registered Holstein, has credits of 17,218 lbs. milk, 856 lbs. butterfat and 1,475 lbs. solids-not-fat in 365 days; Frogmore Rag Apple Annie 5092745, a two-year-old, has produced 17,751 lbs. milk, 738 lbs. butterfat and 1,553 lbs. solids-not-fat in 365 days; Killybracken Zeph Wilhelm 5089107, a five-year-old, had 17,657 lbs. milk, 618 lbs. butterfat and 1,531 lbs. solids-not-fat in 365 days; Myrabar Burke Kate 4994500, a five-year-old, had 19,836 lbs. milk, 647 lbs. butterfat and 1,585 lbs. solids-not-fat in 346 days; Ravenglen Triune Alin 5760054, a two-year-old, had 18,033 lbs. milk, 624 lbs. butterfat and 1,596 lbs. solids-not-fat in 365 days. All are owned by Robert L. Hunter, Ravenglen Farm, Antioch.

Question: I have misplaced my medicare card. Is it important that I get it replaced or could I use my social security card since it shows the same number?

Answer: It is important that you carry your Medicare card with you at all times. This card shows the date of effective coverage for hospital and medical insurance and must be presented if you enter a hospital or require other covered medical care. Contact your social security office immediately for a replacement.

Question: Since World War I, I have been unable to work so have no social security coverage. I am 75 and draw a Veteran's benefit because of my service-connected disability. Could I draw social security starting in October under the new law for those over 72?

Answer: Yes, if you do not receive a cash welfare payment or another government pension, you will be entitled to the special benefit of \$35 a month starting October 1966. Your payment from the Veterans' Administration as compensation for a service-connected disability will not affect your eligibility.

Question: In the first 5 months of 1966 I worked for \$275 a month. Will I be able to keep all my social security payments if I work for \$125 per month the remaining seven months of the year?

Mrs. Ray Van Patten

Honeymoon In The Bahamas

Against a background of baskets of white gladioli, Katherine Lucille Sheridan of Superior, Wis., and Ray Frederick Van Patten of Antioch were married Saturday, September 24. St. Francis Xavier Catholic Church was the scene of the double ring ceremony, performed by the Rev. Fr. Robert Urban. Miss Kathy Connolly played traditional nuptial hymns on the organ and accompanied John Stodola, soloist.

The bride is the daughter of Mr. and Mrs. John Sheridan, 1318 E. 2nd St., Superior, Wis. The bridegroom is the son of Mr. and Mrs. Ray Van Patten, Antioch.

The bride was given in marriage by her father. She wore a floor length princess style gown of imported slipper satin. Lace appliques accented the scooped neckline and were repeated at the hemline. A detachable chapel train fell from the shoulders, repeated with lace appliques. Her imported silk illusion veil was held by a satin forehead rose highlighted with pearl and lace leaves. She carried a ponytail bouquet of white carnations and streamers.

Mrs. Robert Lewis, Cloquet, sister of the bride, was matron of honor. Bridesmaids were another sister, Mrs. Donald Walsh, and Miss Catherine Lewis, Cloquet, a niece.

The bride's attendants wore Killarney green silk worsted princess style gowns fashioned with oval necklines and bell shaped sleeves. Dark green velvet ribbon circled the sleeves, ending in French bows. Matching green bows held their circular illusion veils. They carried bouquets similar to the bride's, comprised of yellow and white carnations and white streamers.

Barry VanPatten, Antioch, Barry Van Patten, Antioch, brother of the groom, was best man. Groomsmen were Eugene Forgue, Chicago, and Kenneth Van Patten, Antioch, the groom's cousin. Frederick R. Thies, North Lake, also the groom's cousin, and George T. Sheridan, brother of the bride, were ushers.

The mother of the groom wore a rose-colored knit ensemble with black accessories. Her corsage was white carnation and pink roses. The bridegroom's mother wore a desert green sheath dress with matching

lace coat and accessories. Her corsage was white carnations and yellow roses.

A wedding reception was held at the Knights of Columbus Club.

After a wedding trip to southeastern United States and the Bahamas, the couple will live in Milwaukee.

The bride is a graduate of St. Francis School of Nursing, La Crosse, and the University of Wisconsin at Madison. She teaches nursing at Mt. Sinai Hospital School of Nursing in Milwaukee.

The bridegroom is a graduate of Marquette University School of Engineering, Milwaukee, and is an industrial engineer for Woodrow Brixius, Inc., Milwaukee.

Where The Boys Are

Airman Gerard L. Haley

SAN ANTONIO, Texas — Airman Gerard N. Haley, formerly of Antioch, has been selected for technical training at Chanute AFB, Ill., as a U.S. Air Force aircraft maintenance specialist.

The airman recently completed basic training at Lackland AFB, Texas. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Haley was graduated from Carmel High School, Mundelein in 1966.

Steward Apprentice James A. Nelissen, son of Mr. and Mrs. A. Nelissen, 1014 Spafford St., Antioch, was a member of the crew of the U.S.S. Guam, assigned to the recovery of Gemini II, flight of Navy astronaut Pete Conrad and Richard Gordon.

Vicki Ann White

Engaged

Mrs. Kathleen J. White, Deep Lake Road, has announced the engagement of her daughter, Vicki Ann, to Private First Class Gale Ford, Jr., United States Army. He is the son of Mr. and Mrs. Gale Ford of Macomb.

Both young people are graduates of Macomb High School, Macomb, Illinois. Gale is recently stationed in Korea.

No wedding date has been set.

LEAVE FOR HOME IN FLORIDA

Mr. and Mrs. Laurel Powles returned this week to their home at 289 Azalea Circle, Ridge Manor, Florida, after spending several weeks at Channel Lake, Antioch.

Reduce your speed when driving into the setting sun.

New Program At St. Peters

St. Peter's parish has been selected to participate in a Home-School Program, the purpose of which is to provide parents and teachers an opportunity to sit down together to consider and discuss how they may provide the best possible Christian education for their children.

The program is being presented by The Home and School Program, a service of the Archdiocesan School Board, the Cane Conference and the Catholic Action Federation, and will consist of four evenings during the school year. Topics to be discussed are: "How is Johnny Doing?", "What the School Can't Do", "Who Needs Discipline?" and "Let's Look Around Us." The first subject will be presented by a priest speaker at 8 p.m. on October 13 in the Social Room of the school.

There will be group discussions and a question and answer period at each session to provide everyone with an opportunity to express his opinion. The children's teachers will be present to visit with the parents after the talk. It is particularly important that "Dad" be present for this new type of parent participation program.

FISHING TRIP

Richard Ohlgren, Antioch, and John Schurak, Fox Lake, report good fishing and a wonderful time on their week-long stay at Keewatin, Canada, last week.

Mr. and Mrs. James George Hallwas

Susan Pahlke And J. Hallwas Wed

Susan Jaye Pahlke, daughter of Mr. and Mrs. George P. Pahlke of Trevor, became the bride of James George Hallwas, Saturday, September 17, at St. Ignace Episcopal Church, Antioch. The 5:30 afternoon wedding service and Mass was read by Reverend Theodore Bessette. A reception immediately followed at The Angels for 250 guests.

The bridegroom is the son of Enif P. Hallwas of Antioch.

The bride chose a high-fashioned coat style gown of silk faced peau de soie, highlighted by hand beaded appliques of French re-embroidered Alencon lace.

Her sleeveless gown had a gently scooped neckline and an empire silhouette, with a controlled skirt; the bodice was appliqued with Alencon lace hand beaded with tiny seed pearls. Her coat was fashioned with long bride's point sleeves and a full sweeping chapel train and opened down the front. Her sleeves, around the neckline, and down the sides of her coat were lavishly appliqued with the Alencon lace and seed pearls. Her train was also embellished with the lace and pearls in a beautiful antique design.

She selected a sweetheart pill-box of silk organza and Alencon lace with tiny seed pearls which held her bouquet illusion veiling. She carried

ried gardenias. Miss Diane Ferris, maid of honor, chose a floor length gown of willow green and beige crepe with an Empire silhouette and floor length train. Her fitted basque was fashioned of textured nylon in willow green having an easy scooped neckline and elbow length sleeves with a matching satin sash and bow at the Empire waistline. Her easy sheath crepe skirt and train were fashioned of beige crepe with a drape in the front of the skirt.

The bridesmaids, Mrs. Margaret Pahlke, Mrs. Barbara Pahlke (sisters-in-law of the bride), and Miss Betty Brinker were dressed identically as the maid of honor except their gowns were fashioned of gold textured nylon and gold crepe. All the girls carried bouquets of the multi-colored flowers.

The two flower girls, Kathy and Karen Pahlke, nieces of the bride, were dressed similarly to the maid of honor. For their head-dresses they all wore satin bows matching their dresses. John Hallwas, brother of the groom, served as best man. Roger Hallwas, also a brother of the groom, George and Richard Pahlke, brothers of the bride, were the ushers. Ricky Pahlke, nephew of the bride, was the ring-bearer.

After a honeymoon trip to the western states, the couple will live in Antioch.

Mr. and Mrs. Charles Flynn

Announce Marriage

Mr. and Mrs. Vincent Enis of Antioch announce the marriage of their daughter, Ellen Marie, to Charles Flynn

on July 30 at Lake Forest. The groom is the son of Mr. and Mrs. H. B. Prin of Jackson, Michigan. He is employed by Cheshire, Inc., of Mundelein.

Jeannine Dow Installed As Worthy Adviser

Wesley Hall of the Methodist Church was the setting for the seventy-ninth installation of Officers of Antioch Assembly No. 23, Order of the Rainbow for Girls. Jeannine Dow was installed as Worthy Adviser of the Assembly marking this a special occasion by being the first second-generation of any family to be installed Worthy Adviser of this Assembly. Her mother was the eleventh and the thirteenth installed Worthy Adviser.

Other elected officers installed were Diane Polsgrove, Worthy Associate Adviser; Edith Bruski, Charly; Donna MacLanese, Hope; Judy Wells, Faith; and Kathy Gaston, Treasurer. Wendy Lindblad was installed Recorder in January.

The appointed officers installed were Colleen Bates, Drill Leader; Cheryl Robinson, Love; Joan Walker, Religion; Joan Gussarson, Nature; Linda York, Patriotism; Patti Wimbis, Service; Vickie Robinson, Confidential Observer; Maureen Bates, Outer Observer; Denise Fowles, Musician; and Barbara Polsgrove, Choir Director.

The members installed in the choir were Ainsley Brook, Cheryl Pincombe, Janet Polsgrove, and Debbie York.

Installing officers were Gail Sims, Grand Drill Leader in Illinois, installing officer; Jo Ellen Engh, Worthy Advisor of Millburn Assembly; Nancy Irish, Past Worthy Advisor of Millburn Assembly; installing Chaplain; Wendy Lindblad, Past Worthy Advisor of Antioch Assembly; installing Recorder; Denise Fowles, a member of Antioch Assembly; installing Musician; and William Dow, brother of the new Worthy Advisor, installing Soloist. Judy Wells was Acting Drill Leader.

Immediately following the Installation Ceremony, Millburn Chapter, Order of the DeMolay, was invited to perform its Nine O'Clock Interpolation. The boys had escorted the officers earlier.

Kathy Gaston was then escorted to the altar by her father for the signing of the Bible. When she returned to her station, she was presented with her Past Worthy Advisor's pin from the Assembly. She expressed her gratitude to all who aided her during her term and introduced her parents, Mr. and Mrs. Robert Gaston.

Jeannine Dow was then presented with the Assembly Worthy Advisor pin to wear during her term. She introduced her parents, Mr. and Mrs. Arnold Weber, her guests of honor. Her mother presented Jeannine with her gavel which was handmade by her grandfather for her

to use during her term.

Awards were then presented to Debbie York for service and to Cheryl Pincombe for two years perfect attendance, and Diane Polsgrove and Donna MacLanese for one year perfect attendance.

During the closing, Kathleen and Steven O'Donnell presented Kathy and Jeannine with their crowns. Joseph Weber was Jeannine's flower bearer.

Refreshments were served following the meeting from a reception table centered with yellow mums accented with light blue accessories, Jeannine's flower and color. Members of the committee for refreshments were Mrs. Wayne Polsgrove, Mrs. James Bruski, Mrs. Daniel MacLanese, and Mrs. Amy Wells.

To Marry In October

By Mrs. Bernice Bernau
Mr. and Mrs. William Bollam, 50 Oak Knoll Rd., Lake Villa, announce the coming wedding of their daughter, Patricia Jean, to David James Fabry of 2126 E. Fairfield, Rd., Lindenhurst, son of Mr. and Mrs. Gus Fabry.

Both Patricia and Dave are graduates of Lake Villa Grade School and Antioch High School. Miss Bollam is a stenographer for Frank G. Hough in Libertyville and Fabry a pipe organ mechanic, employed by his father.

The young couple plan to be married October 8, at the Lake Villa Methodist church at 4 p.m. A reception will be held at the Lindenhurst Civic Center.

A bridal shower was held at the home of Miss Dawn O'Day, Wednesday evening, Sept. 14 for Miss Bollam. Co-hostesses were three bridesmaids, Sandy Schmitz and Sue Glenn of Antioch and Karen Murray of Algonquin. Miss O'Day is to be maid of honor. Twenty-five school friends and co-workers from Hough's attended.

CARD OF THANKS

We wish to thank our kind relatives, friends, neighbors and pallbearers for their many acts of kindness and condolences and for the beautiful floral offerings, cards and memorial in the loss of our dear husband and father. Special thanks to Pastor Ponath and Strang funeral home and the doctors and nurses at the Kenosha Memorial hospital.

The family of Henry Paasch

Schick-Henry Wedding At St. Gilbert's Church

By Mrs. Bernice Bernau

Judith L. Schick of Grayslake, became the bride of Robert A. Henry, Jr., at a 5 p.m. double ring service in St. Gilbert's Church in Grayslake recently. The bride is the daughter of Dr. and Mrs. R. E. Schick and the groom is the son of Mr. and Mrs. R. A. Henry, Sr., of Grand Avenue, Lake Villa.

Miss Leslie G. Schick was her sister's maid of honor and Glen R. Westphal of Lincolnwood was best man for the bridegroom.

Andrea Lentine was a junior bridesmaid and Miss Barbara Schafer of Malta, Mrs. Andrew Ondrof, the bridegroom's sister, Mrs. Ronald Gomora of Antioch and Miss Susan Sauer of Grayslake were bridesmaids. Ushers were Robert E. Schick, Jr., brother of the bride, Dr. A. E. DeStefano, Andrew Ondrof, Ronald Gomora and Robert Simacek.

Jane Hilt of Chicago was a flower girl and Steven Ondrof carried the rings for his uncle.

A traditional gown of peau highlighted by Alencon lace appliques was worn by the bride. Its detachable

chapel train was bordered by matching lace.

Her four-tiered butterfly veil was caught to a lace and pearl crown. She carried a bouquet of white pompons with carnellia greens and a white orchid.

The bridesmaids wore Kelly green crepe and brocade gowns under complementing coats. They carried gold sprayed pompons.

The reception was held at the Brae Loch Country Club in Grayslake.

The newlyweds will live in Lake Villa after a honeymoon in Miami Beach. The bridegroom has attended Southern Illinois University in Carbondale and Wisconsin State and is affiliated with Tau Kappa Epsilon fraternity.

Geraldine Ruthann Nering

Plan October Wedding

Mrs. Albert Nering of Trevor, is announcing the engagement and forthcoming marriage of her daughter, Geraldine Ruthann, to Beldon R. McPherson of Grayslake. They are both employed at Streeter-Amel in Grayslake. The couple are planning an October 15 wedding.

COULSON TO ADDRESS OAKLAND PTA

Guest speaker for the October meeting of the Oakland School PTA will be Robert Coulson, Illinois State Senator from the 52nd District.

The meeting will be held October 3 at the school. There will be room visitation from 7:45 to 8:15 p.m. This will be the only visitation of the semester.

Refreshments will be served by the 7th grade parents.

Hospital Notes

Harry Stern is in Billings Hospital, undergoing tests. A good many readers will remember Harry's column, "What's Cookin'", which ran for some time in the Antioch News.

If you'd like to send him a card, the address is Room W461, Billings Hospital, 950 E. 59th St., Chicago. Mrs. Stern says he'll probably be hospitalized at least for the rest of the week.

Mrs. Harold Wilson, Sr., Felter's subdivision, is in Victory Memorial Hospital following surgery.

Mechanization

Pat: "My wife is very irritable. The least little thing sets her off."

Mike: "You're lucky. Mine is a self-starter."

Mixup

Joe: "My wife thinks she should have a dishwashing machine."

Moe: "Be thankful. My wife thinks she married one."

The Law Serves You

RIGHTS OF ARRESTED PERSONS GUARANTEED BY CONSTITUTION

What rights do you have if you are arrested?

The answer to this question is contained in a pamphlet published by the Illinois State Bar Association. The pamphlet, entitled "Your Rights if Arrested,"

infractions or abuses of the rights of arrested persons are by no means the rule.

But instances in which these rights are violated by arresting authorities do occur. An informed and alert citizenry is the best guarantee that these rights will be upheld for the benefit of all persons and at all times.

The rights of arrested persons are based on this country's highest document of law—the United States Constitution—and are set forth in the first 10 amendments or

"Bill of Rights."

If arrested, the Constitution provides, you cannot be compelled in any criminal case to be a witness against yourself; you cannot be deprived of life, liberty, or property without due process of law; you must be informed of all charges against you; you have the right to compulsory means (subpoena) to obtain witnesses in your favor.

Under the Constitution, it is your right to have the assistance of a lawyer for your

THE ANTIOCH NEWS 6
THURSDAY, SEPT. 29, 1966

defense and the bail set as a condition of your release pending trial may not be "excessive."

The law also establishes the circumstances which must exist before you can be lawfully arrested.

You can be arrested by a police officer who has a warrant which charges you with a specific violation of the law and which identifies you as the person sought. Or, an officer may arrest you without a warrant in any one of the following situations:

(1) The police officer has reasonable ground to believe that a warrant for your arrest has been issued in this state or in another jurisdiction.

(2) You attempted or committed a crime in the presence of the police officer.

(3) The police officer has reasonable ground to believe both that a crime has been committed and that you are the person who committed it.

If you are arrested by a police officer illegally, you may bring an action against him for false arrest. Your innocence of the crime charged against you does not make the arrest illegal, however, if the officer's action conforms to the requirements of a lawful arrest as stated above.

Faassen Elected To AARP Board

Fred Faassen of Zion was recently elected to the Board of Directors of the American Association of Retired Persons at their Biennial Convention in Salt Lake City, Utah. Mr. Faassen has been serving on the Board filling an unexpired term that ended in 1966, and is also AARP vice president for Area V and AARP State Director for Illinois.

The American Association of Retired Persons is a non-profit, nonpartisan organization of persons age 55 or older whether retired or not.

Unless a businessman has sincere respect for the whim of his humblest customer he will not make an outstanding success.

Kraymer Champ Angler Of 1966

George Kraymer of McHenry is the 1966 Illinois state individual fishing champion. He won the title last Sunday, Sept. 25, by defeating 31 other hopefuls on Channel Lake and Lake Catherine in the Chain O' Lakes, near Antioch, becoming the first to repeat as champion in the seven years of the tournament.

Kraymer, 53, caught four black bass, which weighed 57½ pounds. He used a home-made twin spinner to catch his bass in the shallows of the two lakes, casting almost to the bank before making his retrieve.

In the scoring each fish caught was worth 10 points, and every pound five points. Kraymer also won the title in 1964. He received a trophy from Barney Shummeson of the Channel Lake Boat House, who conducts the Illinois state fishing meet to pick a qualifier for the World Series of Sports Fishing.

Besides qualifying for the World Series, which will be held on Lake Eufaula, near Canadian, Okla., Oct. 22-23, Kraymer will have his expenses paid to and from and during the Series. Shummeson provides the traveling expenses, while the world Series promoter hosts Kraymer during his stay in Canadian.

As a former champion, Kraymer was exempt from qualifying and seeded into the finals.

Harold Smiley of Libertyville, the 1961 winner, finished second. He caught one

walleye, which weighed 4 pounds, 11 ounces on a plastic worm.

Florio Picchietti of Deerfield and Bob Holiday of Lake Villa tied for third place. Each caught a 4-pound, 3-ounce black bass for 31 points apiece.

In all, only nine anglers caught fish. With the exception of champion Kraymer, the other eight point-getters each caught one fish. With the exception of Smiley's walleye, the other fish-catchers latched onto black bass.

Others scoring points and their order of finish were: 5. Richard Langlois of Arlington Heights, 23 points. 6. Robert Lang of Ingleside, 22 points.

7. Bob Svoboda of Antioch, 21 points.

8. Theodore B. Finger, Sr., of Crystal Lake, 12 points.

9. Ed Pfingsten of Lake Villa, 7½ points.

Besides Kraymer, Shummeson also plans to attend and fish in the World Series as a challenger, by paying the entrance fee. Other anglers interested in fishing in the World Series may also enter by paying a fee as well as other expenses for room and board and boat and motor during the World Series.

Additional information about the World Series in Oklahoma can be obtained by writing or phoning Shummeson. The Channel Lake Boat House phone number is 395-1434.

Call 395-4111 for free ad.

Sequoits Repeat 33-6 Score

The Antioch Sequoits played a repeat, score-wise, in their game against Grant Saturday.

The game ended with the Sequoits scoring a decisive 33-6 victory. The score was the same as their victory over St. Mary's of Burlington a week earlier.

Ty Walls scored the first touchdown for the Antioch team on a 5-yard plunge. Quarterback Jerry Whitson started the Sequoits' scoring spree in the third quarter. Whitson faked back to pass, then broke up the middle for a 37 yard run to a TD.

Grant scored their only touchdown later in the quarter. Quarterback Steve Spencer tossed to halfback Rich O'Brien, who passed to end Rich Nagel for 21 yards.

Whitson's second TD jaunt for eight yards, and Sheldon's one-yard plunge ended the scoring in the third quarter. Litchfield carried the ball for 12 yards to register the final touchdown of the game in the fourth quarter.

The Sequoits intercepted 4 of Grant's 32 passing attempts. Grant completed 12 passes. Antioch completed 8 of their 12 passing attempts, and Grant intercepted one. Tim Osmond, Tyrone Walls, Larry Davis and Zeman intercepted passes for Antioch.

The Sequoits gained 93 yards passing and 278 yards rushing. They made 17 first downs, and were penalized 45 yards. Antioch fumbled once and Dave Blagg recovered one Grant fumble. Walls lead the defense with 10 tackles.

The Sequoits will face Lake Forest at Lake Forest this Saturday. The preliminary game will start at noon.

Coach Roy Nelson had praise for several of his boys after Saturday's game. Bill Nader, a running fullback last year, was switched to defensive right end for Saturday's game. "He did such a good job containing Grant's running game that I think

we'll leave him there," Nelson said. "Steve Loblillo did a good job on defense, too."

"Ty Walls did his usual outstanding job, making ten tackles and six assists in addition to scoring the first touchdown. Glen Oftedal totaled five tackles and one assist and did a good job defensively."

"I think the turning point of Saturday's game was Dave Blagg's recovery of Grant's fumble," Nelson said. "Whitson, the transfer from Decatur, is a bright spot on our team this year—I'm glad he is on our side."

"As for next Saturday's game," Nelson said, "we respect every team we play, and Lake Forest's always tough. We scored 33 points in the first half against them last year and they'll be looking for revenge. They beat Grayslake 20-12 last week. Terry Moran's a fast boy, scored two touchdowns last week."

2 Unbeaten CSFL Teams Meet Sat.

The Central States Football League will conduct its own private civil war Saturday evening at Waukegan's Weiss Field. The Lake County Rifles, representing the southern division, and the Madison Mustangs from the northern division, both have knocked off their respective weekend opponents. The two unbeaten CSFL grid combatants are riding a crest of victories that now has them on a direct collision course on Oct. 1.

Madison defeated a highly touted Elmhurst eleven 21-7, while the Rifles bushwhacked the Chicago Panthers in their own fair 22-7 for their consecutive league victory. Manitowoc also helped the Rifles' cause by downing Racine 6-0. The Lake Countians must now win two of the four remaining league games to cop the southern division title.

Last Saturday night found the Rifles battling the Panthers on a rain-soaked field at Notre Dame of Niles. The Lake Countians, losing the coin toss for the 7th straight time, kicked off; and the defense responded immediately, forcing a Chicago punt on the first series of downs. Panther punter Ellis Burton tried to field a high pass from center and was knocked into the Chicago endzone by the hard charging Rifles defense, and the locals garnered a quick 2-0 lead.

The Rifles continued to knock on paydirt's door throughout the first half, only to have two sure TD's nullified by 15-yard penalties.

In the third quarter, field general Lew Flinn elected to go to the air and began to hit receivers Warren Nicholas and Angelo Dabiero for consistent first-down yardage. On the Chicago 25-yard line, Flinn executed a perfect fake fullback draw play, and the deceptive Rifles passer shot a 25 yard aerial into the hands of Dabiero in the endzone. Miller converted and the Rifles went ahead 9-0.

In the fourth stanza, Chicago rebounded with quarterback Joe Gale hitting Bruce Earlhardt for 27 yards and a TD. The PAT was good, and the Rifles lead was slashed 9-7.

The Panthers' prosperity was short lived when Rifles halfback Dick Wolf returned the ensuing kickoff 72 yards to the Chicago 28 yard line.

Lew Flinn responded to the brilliant runback and hurled his 16th pass of the year from 12 yards out to Nicholas. The point after went astray and the County team held a 15-7 lead.

The Panthers put on a last minute attempt to bail the game out with Gale throwing desperately. The Rifles met the challenge, the secondary covered Panthers would-be receivers; and the Rifles line put continual pressure on the Chicago quarterback with Joe Smith, Bro Abrahamson, Don Schmidt, Willie Smith and Big John Gavurnik leading the defensive attack. Joe Smith put a tremendous

rush on Gale and forced an away pass that was hauled in by Gavurnik who, had his sights set on the Chicago goal line but was tripped up after returning the interception 12 yards.

The Rifles then countered again with Mark Metcalf scampering around right end for 35 yards, and the final Lake County tally giving them a 22-7 win.

Statistically, Flinn had 12 completions good for two TD's and 147 yards. On the ground Ron Curry, Bill Bodle and Metcalf combined for 108 yards. The Windy City wonders had 115 yards on the ground with Chester Bell accounting for 79. While in the air, quarterbacks Gale and Don Biernat were held to 6 completions and only 69 yards.

Carmel Beats Marist, 19-0

Carmel of Lake County continued in its winning ways as they beat Marist High School of Evergreen Park 19-0. The first Carmel TD was a pass play from Tom Steigler to Denny Kline covering 7 yards. Carmel threatened 3 more times but couldn't push it over. The first half ended 6-0 Carmel.

The opening kickoff of the second half was a picture play. Mike Gavigan took the ball and behind perfect blocking ran 90 yards for the score. Key blocks were thrown by Rudy Magnaficchi and Ken Marech. The last man between Gavigan and the goal line was blocked by Hank Feddern and Ken Austry. Carmel's last touchdown came in the 4th quarter as Gavigan again went in from 3 yards out. Mark Mallette added the extra point.

On defense the Corsairs were tough once again only conceding 78 yards to Marist. Defensive standouts were Mike Hoffman with 14 tackles and Tim Cate with 10. Mike Hoffman also intercepted a pass as did John Cairns. The Corsairs host St. Procopius next Sunday at 2 p.m. This will be the first game played in Carmel's new stadium. The dedication of the Brian McCullough field will take place during half time of the game.

Soph's Beat Grant, 7-6

Antioch's sophomore grid-ers are following the victory pattern set by their big brothers, the varsity. The sophs have won both their first games, their first conference win coming against Grant last week.

The sophs trounced St. Mary's of Burlington in their first game of the season, 29-6. A touchback, 4 touchdowns and 3 PAT's made up the Antioch score.

Jerry Martin carried one TD, Jim Shore, 1 TD and Ralph Zanc, 2 TD's for Antioch. Antioch attempted 12 passes, completed 5 and had 2 intercepted. They gained 263 yards, made 18 first downs, returned 3 punts and had one 5 yard penalty.

ANTIOCH 7 - GRANT 6

The sophs squeaked to a victory over Grant with a 7-6 score last week. Jerry Martin carried the ball 40 yards for the Antioch's lone touchdown. Bob O'Neill carried the extra point across the goal line. Antioch had 21 first downs, attempted 12 passes and completed 3, with one interception.

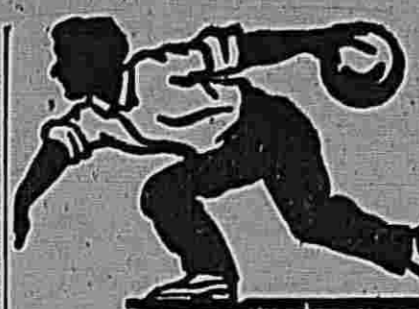

Coach Andy Hauptman said the sophs' defense is outstanding. "It should have been a better game," he said. "The boys dropped a lot of passes. They'll have to play much better ball against Lake Forest." He gave a nod of approval to several of his boys—Ralph Zanc, halfback; Jerry Martin, fullback; quarterback Steve Owens, lineman Johnny Meyer; Charles Hallecker, Bill Dow and Don Gaa.

Harriers On Victory Trail

Antioch's harriers scored a first in cross country history at their school when they beat Grant last Thursday, 19-39.

Grant has been the conference champs for four years. The leading Antioch runner was Blaine Backman, followed by Tom Doolittle.

Antioch stayed on the victory road Tuesday winning a triangle meet with Warren and Woodstock. Scores were Antioch 18, Warren 38 and Woodstock 69. Blaine Backman again lead the pack with Tom Doolittle close behind. Other runners contributing to the success of the team, says Coach Adrian Mueller, are Bill Effinger,

After The Game Is Over

When the youngsters troop into the house after ball practice, their first port of call is apt to be the kitchen for something to drink. Many mothers have taken to keeping a jar of instant tea on the kitchen counter, so the kids can fix their own thirst-quenchers. Iced tea is an ideal between-meal beverage because it's non-sweet, non-filling and won't take away appetites for the nourishing foods needed at mealtimes. And because the instant powder dissolves instantly in cold tap water, iced tea is a do-it-yourself drink even for tyros in the kitchen. There's no need to boil water, no need to brew. A spoonful of instant tea dissolves instantly in cold tap water. Or if you prefer, you can make up a pitcherful and have it ready for the thirsty gang. For this, use about two tablespoons of the instant powder for each quart of water. And better see that the cookie jar is full, too.

Raisin Cookies

3/4 cup butter 1/2 cup buttermilk
1 1/2 cups brown sugar 1/2 teaspoon baking soda
1/2 teaspoon cloves 2 eggs, beaten
1 teaspoon cinnamon 1/2 cup raisins
1/2 teaspoon nutmeg 1 1/2 cups chopped walnuts
2 1/2 cups sifted flour

Cream butter, gradually add sugar mixed with cloves, cinnamon and nutmeg. Stir in buttermilk and soda, beaten eggs, raisins and nuts. Gradually add sifted flour, stirring to a stiff dough. Drop by tablespoons on lightly greased cookie sheet. Bake in hot (400° F) oven for about 10 minutes or until crusty to touch. Remove from sheet and cool on rack.

Nursing Directors Attend Workshop

Mrs. Stanley Schabowicz, R. N., Institutional Nursing Consultant for the Lake County Health Department, was one of four nurses who conducted a workshop this week for Directors of Nursing in Illinois nursing homes.

The conference is being held at Allerton Park, U. of Illinois Extension, near Monticello, Ill. The primary objective will be to acquaint the Nursing Directors with the increased demands imposed on nursing as a result of the Medicare program which will allow patients additional services in certified extended care facilities beginning Jan. 1, 1967.

A good portion of the program will be devoted to a work shop on the development of a good nursing service in which Mrs. Schabowicz is participating as a leader. Working sessions will include developing in-service training, programs, job descriptions, patient care policies and restorative nursing.

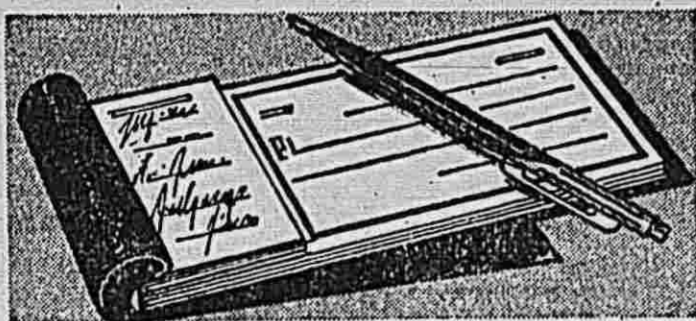

Many of the nursing service directors from Lake County Nursing Homes will be attending this conference and work shop.

CHRISTIAN SCIENCE CHURCHES

"The things which are seen are temporal; but the things which are not seen are eternal." This well-known verse from II Corinthians will be the Golden Text of the Lesson-Sermon titled "Unreality," to be read in all Christian Science churches this Sunday.

From the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following correlative passage will be quoted: "Defogged in error (the error of believing that matter can be intelligent for good or evil), we can catch clear glimpses of God only as the mists disperse, or as they melt into such thinness that we perceive the divine image in some word or deed which indicates the true idea—the supremacy and reality of god, the nothingness and unreality of evil."

It's impossible to tell where an orderly woman will put things.

Lindenhurst News

By Mrs. Bernice Bernau Elliot 6-5649

Where the Boys Are

Warren and Bernice Frontzak received word from their son, Duane, at Camp Campbell, Kentucky. Also in the same barracks with him are Robert Oilschlager of Grand Avenue, Lake Villa, and Sam Gallu of Venetian Village.

Hospital Patients

Bill Stanley of Venetian Village was released from St. Theres Hospital where he underwent surgery a month ago.

Three and a half yearold Patricia Langager has been a patient at Victory Memorial Hospital since last Wednesday. She is getting along fine and should be home soon.

Jack West, 200 Beck Rd., was operated on a week ago Friday at Illinois Hospital for a heart condition. You may write him at Ward A 3, Illinois Veterans Administration Hospital, Maywood.

Jack's sister, Mrs. Leroy Tinsley of Mount Carmel, and Mrs. West's mother, Mrs. Frank Benson of Centralia, Ill., were here from Thursday until Monday.

Pelkos Move to Arizona

Otto Pelko and his son, Richard of Venetian Village have moved to Phoenix, Arizona due to Mr. Pelko's health.

Lindenhurst Lovelies

We had the "Q-T's" a few years ago, and now we have the Lindenhurst Lovelies, a social club. Cards are played each week.

Bridal Shower

Janet Fabry gave a surprise bridal shower for Miss Pat Bollain of Lake Villa last Monday evening. Sixteen Lindenhurst friends and neighbors of the Fabrys attended, bringing beautiful, useful gifts.

Prince of Peace Church

The Altar and Rosary Sodality will receive Holy Communion in a body at the 8 a.m. Mass next Sunday. All ladies of the parish are invited to receive with them.

The Sodality is sponsoring a "Pantry Shower" for the Sisters at the Oct. 5 meeting. Items such as all types of canned or frozen goods, flour, sugar, coffee, etc., are usually needed.

Dedication Day

Dedication Day for the new addition to St. Mark Lutheran Church will be observed with a buffet supper on Sunday, October 16. Rev. Norman Orth will be the guest speaker. A few select pictures of the progress of St. Mark congregation will be shown.

The Father-Son banquet will be held on Thursday, October 27. Plan to attend.

St. Mark Lutheran is responsible for the 6:15 p.m. service at Lake County TB Sanitarium next Sunday evening. If you can go along for the half hour service, call Pastor Nelson.

Anniversaries

Anniversary wishes are sent to Ray and Sandy Partipilo, Howard and Sharon Kildahl, Jr., Bill and Agnes Wilhelm, and Babe and Ev Standiford. Also, Ed and Harriet Bonovitz and Greg and Judith Dubas.

Program For Parents Of Deaf Children

The October 4th meeting for the Deaf Children of Lake and McHenry Counties Association of Parents and Friends, will be highlighted with an address by Mrs. Jack Dahl, President of the Elgin Area Chapter of Delta Zeta.

Mrs. Dahl will speak on "What Delta Zeta Alumni Association does to support deaf education." In addition, Mr. and Mrs. Ronald Dowell will make a report on the Alexander Graham Bell Convention in Kansas City.

Two films, which will be of special interest to those who are just becoming acquainted with the education of hearing-impaired children will be shown. They are: "Teacher Recruitment on Special Education in the State of Illinois" and "Thursday's Children," a study of deaf education.

The public is invited to this, and all future meetings of the Association. If further information is desired, phone Mrs. A. N. Zingrone at 815-338-2833. The October 4 meeting will be held in the cafeteria of the Lakeview Grade School, Route 120 and Lake Street, in Grayslake at 8:00 p.m.

In 1925, the Alexian-Brothers School of Nursing in Chicago—all of whose students are men—was officially approved by the State of Illinois, making it one of the oldest schools in the State.

Delectable Rice Dish

(Hwa Council Photo)

The flavor of Clam Rice is so unique that most folks who taste it for the first time think it is made with many ingredients. But this main dish accompaniment couldn't be easier to prepare. Bottled clam juice and green onions plus butter and seasonings are the only flavoring agents used to cook the rice. The interesting taste is the result of steaming the rice over low heat until all the liquid is absorbed and the kernels are tender and separate.

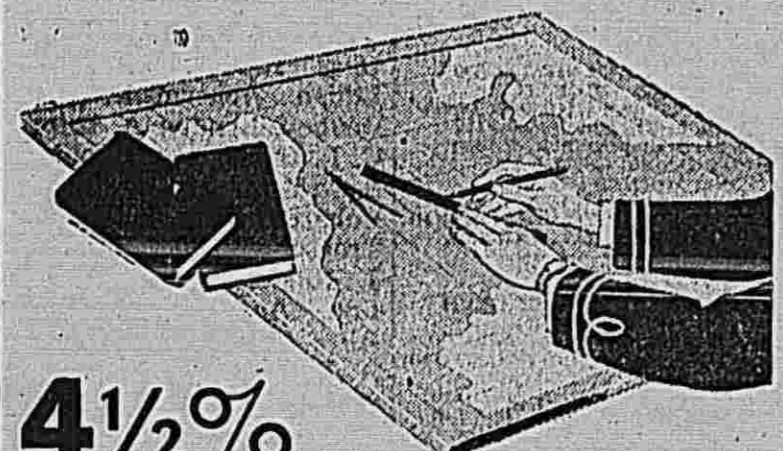

It is unlikely that any Clam Rice would be left over, but if it should, cover it and refrigerate for second servings within the week. To reheat, add two tablespoons of water per cup of cooked rice, and cook, covered, four to five minutes. The reheated rice will be as tasty as the first time it was served.

Clam Rice

1 cup sliced green onions 1 bottle (7 1/2 ozs.) clam juice
1 cup uncooked rice 1 cup water
2 tablespoons butter or 1 teaspoon salt
margarine Dash of pepper

Cook onions and rice in butter until rice is golden. Add clam juice, water, salt and pepper. Heat to boiling, stir once, cover, reduce the heat and simmer 15 minutes. Toss lightly. Makes 6 servings.

NOTICE OF SALE

\$185,000 School Building Bonds

SCHOOL DISTRICT NUMBER 33
LAKE COUNTY, ILLINOIS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Board of Directors of the School District of District Number 33, Lake County, Illinois, until the hour of eight o'clock P.M., on the 8th day of November, 1966, at the Emmons Grade School Building, R. R. 5, Box 432 in the Town of Antioch, Illinois, for the purchase of bonds of said District described as follows:

\$185,000 School Building Bonds, dated October 1, 1966, of the denomination of \$5,000 each, interest payable on December 1, 1967, and semiannually thereafter, and said bonds to become due serially \$10,000 on December 1 of each of the years 1968 to 1970, inclusive, \$15,000 on December 1 of each of the years 1971 to 1975, inclusive, and \$20,000 on December 1 of each of the years 1976 to 1979, inclusive, without option of prior payment.

Said bonds were authorized pursuant to an election held in and for said School District on August 13, 1966, and are being issued for the purpose of paying the cost of building on addition to and repairing the present school building now owned and used by the District for school purposes and commonly known as the "Emmons School Building".

Both principal and interest on said bonds, as above described, will be payable at such place in the State of Illinois as may be mutually agreed upon between the purchasers and said District. Said bonds may be registered as to principal only in the name of the holder on the books of the School Treasurer who receives the taxes of said District. Said bonds will be general obligations of said School District payable from ad valorem taxes levied upon all the taxable property in the District without limitation as to rate or amount.

The assessed valuation of taxable property in the District for the year 1965, as equalized and determined by the Department of Revenue is \$4,608,207.00. After the issuance of the bonds above described, the total aggregate indebtedness of the District of every kind and character whatsoever will not exceed \$213,000.00. The population of the District is approximately 930.

The bonds will be awarded to the responsible bidder on the basis of the lowest interest cost to the School District, but no bid will be considered for less than par or bearing an interest rate greater than four and three-quarters per cent (4-3/4%) per annum. Bids must be for all of said bonds and bidders shall specify the rate of interest in multiples of one-eighth of one per cent (1/8 of 1%) per annum. Not more than three different rates for said entire issue of bonds will be considered but the same rate must apply to all bonds of the same maturity and interest maturing must be evidenced by only one interest coupon during the pertinent interest period. Any bid providing for the use of supplemental interest coupons will not be considered. The repetition of an interest rate will be considered as a different rate. In determining the best bid the interest cost to the School District will be computed by determining the interest from the date of the bonds to maturity at the rate or rates specified by the bidder after deducting therefrom any premium offered. For informational purposes only and not to be considered as part of the bid, the net interest cost and the effective interest rate shall be stated in each bid.

All proposals should be enclosed in a sealed envelope marked on the outside "Proposal for Bonds" and addressed to Richard H. Major, the Clerk of the Board of Directors of said School District at Emmons Grade School Building, R. R. 5, Box 432, in the Town of Antioch, Illinois. As a guarantee of good faith, each proposal must be accompanied by a certified check or cashier's check in the amount of \$3,700, drawn upon an incorporated bank or trust company and made payable to the order of the School Treasurer of School District Number 33, Lake County, Illinois; this amount to be retained by the School District pending full performance by the successful bidder and to be forfeited to the School District as agreed upon liquidated damages in the event of the failure of the successful bidder to take up and pay for the bonds when ready. The checks of the unsuccessful bidders will be returned to them immediately upon the rejection of their bids. In the event of the inability of the Board of Directors of said District to deliver said bonds to the purchaser in accordance with the terms of this notice within sixty (60) days after the date of the sale said good faith check will, at the option of the purchaser, be promptly returned to the purchaser.

Bids will be opened at a meeting of the Board of School Directors of said District to be held at eight o'clock P.M. on November 8th, 1966, in the Emmons Grade School Building, in the Town of Antioch, Illinois, at which time and place the bids will be publicly read and the award made to the successful bidder.

The District will furnish the necessary printed bonds without cost to the bond purchaser. The bonds will be delivered with the unqualified approving opinion of Chapman and Cutler, Attorneys, Chicago, Illinois, said opinion to be paid for by the District and all bids must be so conditioned.

At the request of the purchaser the School District will provide for the printing of the approving opinion of bond counsel on the back of the bonds.

The Board of School Directors has prepared an official statement containing information concerning the history, growth, and population of the District, the school system maintained by the District, the figures pertaining to underlying bond indebtedness, the record of tax collections, and describing principal industries which are located within the District, which statement will be furnished upon request to Richard H. Major, Clerk, Board of School Directors, at R. R. 2, Box 65, Antioch, Illinois, Telephone 395-2341.

The School District reserves the right to reject any and all bids.

By order of the Board of Directors of the School District of District Number 33, Lake County, Illinois.
DATED this 13th day of September, 1966.

RICHARD H. MAJOR
Clerk

Early Marksmen Got A "Big Kick" From Shooting

Ever since an inventive genius of the 14th century set flame to gunpowder—shooting fire through a small hand cannon fastened to a wooden stock—man has busily been engaged in refining the use of firearms.

The fact that the "marksman" of that era was hurled back almost as far as his projectile fired little to slow down the march of advanced gunnery. In fact, by the end of the century, bronze handguns were being used, most notably in the famed battle of Tannenberg in 1399.

Yet one big problem remained: How could the vintage sharpshooter hold and aim his firearm . . . and somehow touch a match to a supply of gunpowder to ignite the charge?

The matchlock, invented in the late 1400's helped solve the problem. It enabled a rifleman to pull a trigger carrying a slowly burning cord to a touch-hole to ignite the powder charge. Improvements in design also resulted in lighter weight guns with stocks similar in shape to those used today.

But shooters still had to struggle with a veritable one-man arsenal: a musket rest, powder horn, bullet bag, match cord, musket case, and a source of fire not too far away. And, oh yes, one other thing—a sword, in case the blasted thing didn't blast.

Yet matchlocks were the talk of hand munitions people for centuries. All of the Thirty Years' War (1618-48) was fought with matchlocks, and some military writers of the age claimed its superiority even over the later-developed wheel lock.

Leonardo da Vinci made some of the earliest known drawings of wheel locks.

These guns operated somewhat like today's cigarette lighter: a serrated wheel was set to spin against a flint, thereby producing sparks and putting the powder to priming powder.

The wheel lock gave the sportsman his first fairly efficient rifle. As the 17th century approached, interests of gun designers turned to the development of this idea for hunting guns. Because of its complexity, it was too high priced for the average military firearm. But for the affluent—including those who hired the guns that defended their duchies—no price was too much to pay for a good weapon to down pheasant and deer.

In fact, an early repeating wheel lock rifle has been traced to 1954. It had only one barrel, but incorporated two locks attached to a single lockplate with one trig-

ger. Pretty advanced for that age!

Flintlocks exploded their way into the small armaments race at about this time, and were there to stay until the 19th century. In time, this device—a kind of "flint and steel" set sparked by the striking of flint in the hammer against a metal plate—became standard equipment the world over. It also was a favorite among pioneers in America's heartlands.

In fact, the development of gunnery advanced rapidly and efficiently on U. S. Shores and was a guiding force in the burgeoning image of American "know how."

That was the age of the craftsman. One such pioneering artisan—Eliphalet (Lile) Remington—told many weeks over a long-barreled flintlock rifle, which he took to a shooting match in his native upstate New York.

Pitted against the best marksmen from several counties, he gained second prize. The real winner: advanced riflery. Many crack marksmen in the contest marveled over Remington's rifle and placed orders—and the Remington Arms Company was founded.

That was exactly 150 years ago. After an early start as a maker of sporting rifles and barrels Remington landed an army contract and was soon producing muskets at the rate of 1,000 per month. Mechanical improvements were added, almost year-by-year. Cast steel barrels provided new safety and accuracy. . . . attractive brass-finished models came on the scene and are still treasured by collectors. . . . the great Remington rolling block action provided the Indian fighters and hunters in the late 19th century with the finest singleshoot action made in that day. . . . Remington-Schuetzen rifles were the talk of target matches wherever marksmen congregated.

These contests came to be known as Schuetzen matches—and were popular until World War I.

More recently, Remington has turned its sights to new processes for lightness, compactness and easy handling firearms. Since 1945, it has produced a host of new center fire cartridges as well—from flat shooting varmint calibers, through medium sized big game loads, to belted magnum cartridges. Remington revolutionized shotgun shell design with plastic loads, innovated in 1960. Three years ago, a new plastic way column was introduced, improving patterns and reducing recoil.

Candy Day For Blind October 7

Nearly 25,000 Lions will don familiar yellow overseas caps when the 16th annual Lions Candy Day for the Blind dawned on Friday, October 7.

By the time they doff those caps and their "Help the Lions Help the Blind" vendors aprons at dusk, they hope to realize a goal of \$425,000.

The state-wide drive underwrites the Lions Club projects aiding the blind. Most widely known are the Lions support of Leader Dogs for the Blind, Rochester, Michigan, and Hadley School for the Blind, Winnetka, Illinois.

Blind men and women go to Leader Dog School, where they receive a guide dog and training at no cost to themselves. Hadley School for the Blind offers FREE home study for self-improvement in more than 100 courses, ranging from the sixth grade level through college.

Two other major blind aid projects benefiting from Candy Day contributions, are Illinois Camp Lions for Visually Handicapped Children at Hastings Lake, Lake Villa, where each year 250 visually handicapped children are given an opportunity to experience camp life and outdoor activities.

Through Dialog, a recorded service for the blind, the Lions provide a "window to the world," where the blind are kept abreast of current events. It features various other valuable information that is not available from any other source.

And—there are other projects made possible through

The company is also the world's leading producer of gas operated autoloading shotguns.

Heritage and talent, exemplified in a father-son craft industry, is the essence of the fascinating history of guns. As the affluence of modern living provides more leisure time for the sportsman, newer and greater developments are on the horizon. It's a far cry from the first burst of "organized" gunpowder, many centuries ago.

Candy Day contributions.
—purchase and gift of glasses.
—purchase and gift of braille writers.
—sponsorship of glaucoma clinics and eye screening tests
—arrangements for corneal transplants.
—purchase and gift of braille wrist watches and other appliances.

Friday, October 7, climaxes a week set aside as "Lions Week for the Visually Handicapped." October 2-8. Funds raised are used to support the four projects. Hadley School for the Blind, Leader Dogs for the Blind, Illinois Camp Lions for the Visually Handicapped, Dialog, recorded service for the blind, and for local sight conservation activities in the community.

Wedding Bells Sound Offener

New York (WMNS)—If you have the feeling you gave lots more wedding presents last year than in previous years, you're right. You did. According to statisticians at the Metropolitan Life Insurance Company, wedding bells sounded for 801,760 American couples and 145,519 Canadians in 1965, increases of more than 120,000 and almost 8,000 respectively.

Romance aside, why did so many more Americans choose to marry in 1965? "In the United States, the increasing concern about the growing involvement in the conflict in Viet Nam contributed to the upswing," the report noted. As a consequence, almost eight percent more marriages occurred in the second half of 1965 than in the corresponding period of 1964.

Not unexpectedly, the greatest rise occurred in July and August, just before the Executive Order of August 26 which removed the special draft deferment rules for men who married after that date. "In fact, July and August marriages were more numerous in 1965 than in any other year except 1946, when the aftermath of World War II precipitated an all-time high," the statisticians observed.

If previous experience holds, a baby boom may not be far off.

That means you can save up to \$60 in all, when you buy an electric dryer now. Because electric dryers cost up to \$40 less than gas dryers. See your appliance dealer soon.

SATISFACTION GUARANTEED—
LIMITED-TIME OFFER TO CUSTOMERS OF

Commonwealth Edison Company

C.E.C. Co.

The bright new ideas are Electric!

Dalgaard Heads Crusade Of Mercy

Bruce Dalgaard, 627 N. Main St., Antioch, has been appointed co-chairman of the Crusade of Mercy at Commonwealth Edison Company's northern division headquarters in Northbrook. The annual campaign will be conducted at all Edison locations throughout Octo-

ber. The company has approximately 11,000 employees who contributed over \$330,000 last year. About 3,500 gave one day's pay and 1,100 contributed one percent of their annual salary.

That's for Sure

It's not the minutes you take at the table that make you overweight—it's the seconds.

Dr. SIMS says...

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

HOUSEWIFE ECZEMA

If you're among the 35 million women who devote full time to homemaking, you're probably grateful for the variety of new cleaning agents developed to make your job easier.

Unfortunately, however, many of these products—detergents, metal polishes, floor waxes, furniture polishes, etc.—contain chemicals that may irritate your hands. The result? Housewife eczema, a skin condition so common it accounts for 15 per cent of all visits to dermatologists.

One of the first symptoms of housewife eczema is intense itching on the back or sides of the fingers. Often the itching starts under a ring, where detergent and even mild toilet soap particles are trapped.

Usually the itching site is marked by tiny scattered water blisters. If they dry up without breaking, the damaged skin becomes dry and scaly. If they're scratched open or break spontane-

ously, the area usually becomes inflamed and painful, and is eventually covered by a crust.

Once the scales or crust appear, the skin will probably return to normal within a week. That is, if some simple measures are taken to promote healing.

One of the best ways to protect your hands with cotton-lined plastic or rubber gloves when working with soap or detergents. Light, loose-fitting cotton gloves for dry work will also help. But avoid unlined gloves. They will only irritate your skin by causing your hands to perspire.

To relieve the itching, soak your hands in cool water and allow them to dry by letting the water evaporate—not by rubbing with a towel.

After the itching subsides and the area becomes scaly and rough, resist the temptation to apply cold cream, lotions or salves. Although they may relieve the dryness they usually prevent the blisters from healing effectively. After the skin has returned to normal, however, regular use of a cream or lotion may help prevent future recurrences.

A cholesterol-lowering diet need not be dull. Use more veal and lamb, and trim beef well of visible fat; substitute fish and chicken more often as source of protein.

THE ANTIOCH NEWS 10

THURSDAY, SEPT. 29, 1966

Elect Class Officers At Salem Central

Freshmen and sophomores at Salem Central High School elected class officers last week. Freshman officers elected were president, Arne Zihel; vice president, Dan Davis; secretary, Becky Groslik and treasurer, Sue Miller.

Sophomore officers elected were president, Richard Glover; vice president, Andy Hewitt; secretary, Bill Eichelberg and treasurer, Sandy Gillmore.

Officers for the junior and senior class, elected last spring, were installed. Junior officers are president, Don Kempf; vice president, Dan Pfeuffer; secretary, Sandy Gleske and treasurer, Carole Molini.

Senior officers are president, Don Schenning; vice president, Jack Vanderwerff; secretary, Elaine Reiter and treasurer, Jan Haubrich. The Drama Club also elected officers last week. David Davis was chosen president; Marianne Ruzicka, secretary; Mary Wagner, vice president, and Carol Anderson, treasurer.

Plans for Central's Homecoming on October 7 were discussed at a meeting of the Student Council Friday.

Farm Managers Tour Chicago Harbor

Thomas L. Frey, Manager, Federal Land Bank Association of Woodstock, recently toured Chicago's Lake Calumet harbor with the Illinois Society of Professional Farm Managers and Rural Appraisers. The purpose of the tour was to study the grain-handling facilities and other parts of the Chicago port, which handles agricultural products from Illinois.

The group saw the harbor's docks and warehouses, terminal grain-handling facilities, the Calumet River and the Sag Canal.

The nine grain elevators on Lake Calumet and along the Calumet River can hold 55 million bushels. Chicago's total grain-storing capacity is 86 million bushels.

The farm managers were interested in studying the marketing system for grain produced on thousands of acres of Illinois and midwest farm land which they manage.

Ride the Wide-Track winning streak!

From the same drawing board that gave you Grand Prix, GTO and Overhead Cam Six now come the newest Pontiacs since the invention of Wide-Track!

You're looking at the most beautiful Pontiacs ever to ride on Wide-Track. The incomparable GTO returns with a 335-hp 400 cubic inch engine under a magnificently refined new skin. Or you can order the 255-hp version or the fabulous new 360-hp Quadra-Power 400. And for the first time, you can order your GTO with our famous three-speed Turbo Hydra-Matic.

The Le Mans and Tempests come back better than ever. Bright new interiors. Bold new colors.

A 165-hp Overhead Cam Six is standard. Or you can specify a 215-hp version, a 250-hp regular gas V-8 or its 285-hp premium gas cousin. Or step into the newest grand touring car this side of the Atlantic with our OHC 6 Sprint package.

Our big Pontiacs are new from the famous split grille to the slickest innovation of the year—disappearing windshield wipers! They're less subject to freezing. And only Pontiac has them.

Also new: a Grand Prix convertible. There are now 400 and 428 cubic inch V-8s. New safety features such as front seat belt retractors, a four-way traffic hazard flasher, folding front seat back latches and General Motors' new energy absorbing steering column.

Of course, all Pontiacs come with the road-hugging security of Wide-Track.

Wide-Track Pontiac/67

The Great One GTO Convertible.

The Bonneville Convertible.

The Law Serves You

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

MUST A HUSBAND PAY HIS WIFE'S BILLS?

Who is responsible for the debts of a family?

Illinois law holds both husband and wife personally responsible for family debts. Any family expenses incurred by either partner become the joint legal obligation of the couple.

This liability for debts is binding on the couple even if the husband is a minor under 21 years of age and/or the wife is under 18.

Under Illinois law, both the minor husband and wife become "emancipated" from the protective status of a minor when married, assuming the marriage met all the legal requirements.

Also, emancipation ends the legal obligation of parents to support a son or daughter.

The legal aspects of married life are discussed in a pamphlet entitled "Advice to Newlyweds," published by the Illinois State Bar Association. It urges newlyweds to discuss with an attorney the legal questions and transactions they will face in marriage so as to avoid any problems later on.

The state recognizes the obligation of the husband to support his wife and children. However, the wife may be responsible for the support of her husband under certain circumstances, such as an incapacitating illness which prevents him from providing for the family.

The pamphlet advises newlyweds to keep records of their financial affairs, to save receipts and cancelled checks. All obligations should be paid by check if possible, it suggests, since checks constitute legal proof of the expenditures.

Symbol of Better Health

The Progress From Potions

Today's pharmaceuticals in their modern containers represent thousands of years of progress for pharmacy... from the mystical potions of the past to "miracle" drugs developed by modern science which play a vital role in the preservation of health.

Libertyville

Federal Savings & Loan Assn.

354 North Milwaukee Ave., Libertyville, Illinois

Our 39th Year over 17 Million In Assets

our managers have taken over!

This is a special week.
We call it Managers Week.

They've taken over the store.
They've planned a terrific thrift event.
Storewide values that you'll recognize as
"first-aid" for your ailing budget.

Why this special week?
First, to express special appreciation to you.
Second, to honor our managers.
Third, to give us a chance to prove "We Care".
If you're a regular A&P customer, this week is for you.
If you've never shopped A&P, this is the week to test-shop A&P.

When you see the savings on your total food bill,
when you experience the warmth of being cared about,
we think you'll come back time and time again. Millions do.
